Report of CDF 2023/2024

Education plays a pivotal role in the development of individuals and communities, serving as a catalyst for progress and empowerment. In line with this belief, the Constituency Development Fund (CDF) - Dadaab Constituency for the year 2023/2024 embarked on a mission to transform lives through the provision of bursaries to deserving students within our constituency. This report serves as a comprehensive account of our commitment to enhancing educational opportunities and fostering a brighter future for our youth.

The year 2023/2024 marked a significant milestone as the CDF allocated substantial resources, amounting to Kshs. 34,000,000 to support the education of students in our constituency. These bursaries aimed not only to alleviate the financial burdens of students and their families but also to empower them to pursue higher education or secondary education and achieve their dreams.

This report stands as a testament to the power of education, the unwavering support of the CDF, and the resilience of our students. It is a reflection of our collective commitment to nurturing talent, fostering academic achievement, and building a brighter future for our constituency.
